The Senior Class of 1954 would like to take this opportunity to thank the many friends who so generously supported us morally and financially so we could make this Memoir possible.

It has indeed been a pleasure to have an opportunity to record some of the activities and memories of our school years. We indeed hope that you accept our work with satisfaction and pleasure so that our final efforts as Seniors may be a success.

CLASS PROPHECY

The prosperous city of New Knoxville lay garlanded and expectant beneath the June sunshine of the year 1974. Today the seats of the N.K.H.S. stadium were rapidly filling with hundreds who wanted to have part in the reunion of the class of 1954.

The old-time members gathered for the opening march. There were heads with graying locks—if the truth is to be told there were heads beginning to lose their locks, but the old fires of enthusiasm burned in eager eyes and perennial youth glowed in their hearts. The band finished the introduction of a lively march and the class of 1954 took its place on the flower-trimmed platform.

The music changed to the strains of their old Alma Mater and the assembled members began to sing with trembling but proud voices. As the song ended DALE HENKENER, the well noted president of the Lonely Hearts Club, stepped forward and began:

"Ladies and Gentlemen, schoolmates of the good old days, and friends of bygone years. Before I proceed with the address of this occasion I wish to present the members of the class of 1954 and give you a few facts concerning them.

I will begin with LLOYD KUCK. Lloyd is the thief of the class; he stole an office from his opponent and got into the legislature—now he's in Congress and no telling what he'll get into next.

Then here's PHYLLIS SCHROLUCKE. She always had a fondness for chickens, calves, and baby baa-baas, so of course she became a veterinarian. THOMAS FISHER is in the State Hospital—he has charge of it. His motto is "Nuts To Us."

We are proud of JOYCE HENKENER who has become the first woman president of the United States. Although it was impossible for her to be with us today, she sent her private telephone operator, JANET ELSHOFF. who persistently listens to all of the president's personal calls.

ALFRED MANBECK is a worthy doctor. He is an allopath, and while it's said that all paths lead to the grave, I want to tell you that Alfred doesn't lead patients there very often. Maybe this is because of MARLENE WISSMAN, his private and very helpful nurse.

NED KATTERHEINRICH, as you know, is principal of N.K.H.S. at this time and RUTH HOGE has charge of the English department. They both wanted to teach in this school in order that they might have revenge on future classes for the roasting the Faculty gave them during their high school years.

DALE STOLZENBURG is part of the backbone of the country—for if good farmers are not the country's backbone tell me what is. Dale gets all of his prize cattle from CHARLES SCHROEDER who owns the biggest cattle ranch in the state of Texas.

ARLENE WIERWILLE came today in her own private plane, "The Sneaky One." She has just returned from Germany where she has been teaching in a private school for flyers.

Yesterday at the Kentucky Derby a horse by the name of "Quick Silver" won first place. This horse was ridden by the world famous jockey, NED WIERWILLE, who is here today and believe me he is loaded—with money.

NANCY WIERWILLE lives here in New Knoxville with her wonderful family. She, as most of you know, is the mother of the famous Niemeyer Octuplets.

Last week the New York Razor Blades won the world championship basketball trophy. They are coached by our very own BILL BEICKMAN. I might add that all of Bill's players get their hair cut at Luke's Lucky Barber Shop owned and operated by LUKE STIENECKER..

The Reverend GLENN WILLIAMS is here today. Glenn is pastor of the Evangelical and Reformed Church located in Shinbone, a suburb of New Knoxville.

ANNETTE HINZE, the famous fashion model from New York, is not able to be here with us today, but she sends her love and told me to tell you that she will see you in the new issue of Fashions For Women.

You have all heard of the new miracle drug "Ridapain." This drug was discovered by the well-known surgeon MARLENE McCULLOUGH. Last week Marlene saved the life of that glamorous movie star, Carolyn Conroe, alias JEAN ANN HENKENER. Jean was rushed to the hospital after she accidently swallowed a diamond shoe string.

ROGER EVERSMAN arrived this morning in his first successful invention, the folding automobile. As you can see, it is folded up, lying on the chair beside him.

Now, dear friends, having introduced the old class of 1954, I will proceed with the address to which I invite your attention."

Here the recital of the class reunion ends, for if we endeavor to recount what the flowery orator of the day said, the farmers in the audience will not get home in time to milk the cows in the morning.

LAST WILL and TESTAMENT

We, the departing Senior Class of 1954, being of sound body and mind, hereby publish and declare this to be our Last Will and Testament.

To our beloved teachers, we bequeath our lasting affection and a large measure of thanks for the constant and capable manner in which they stood at the helm during our voyage through school.

To the Board of Education, we leave our sincere thanks for all the things they have done for us.

CLASS HISTORY

On the seventh day of September of 1950 the class of 1954 entered the New Knoxville High School. Our class consisted of eleven girls and sixteen boys. We had fourteen members of our class in chorus and ten in the band. We also had nine boys out for basketball and six out for baseball. During the year we lost one member of our class, Robert Eisert, who found other interests.

In the fall of 1951 we entered the Sophomore Class with twenty-four members. Pat McCue moved back to her home in Connecticut and Vernon Stienecker found new interests. Our class took an active part in school activities. We had eight boys playing basketball and four on the baseball team. We also had interest in music, for we had fourteen in the chorus and thirteen in the band. The two flag bearers and a cheerleader were also in our class.

On September 2, 1953, we had twenty-four members in our class. Our class had seven boys participating in sports. There were fourteen in chorus and band. There also were two cheerleaders elected from our class. On the seventeenth of October we presented "Excuse Me Please," which was a great success. Also on May first we presented the Junior-Senior Reception in honor of the Seniors. During the year we lost Don McCullough and Carl McCune who took up farming.

The Senior Class of 1954 entered their last year of school life with twenty-three pupils. Our class took an active part in sports and music as we had done in the first three years in high school. During the year Larry Westbay joined the Armed Services so we only had twenty-two members left in our class. On the twenty-sixth of March the Seniors presented "Mother is a Freshman," a three-act comedy, which was a great success.

1953 FALL SEASON

The New Knoxville Rangers won two games while losing four games this fall. Due to a large number of injuries and the loss of six graduating lettermen the Rangers didn't have quite as successful a season as in the past. The Rangers should field a good team in the future with more experience and a lot of practice.
